Welcome Message From Chairman of Conference

On behalf of the Committee, I am very pleased that the 11th Joint Chemistry Conference in Conjunction with The 4th Regional Biomaterials Scientific Meeting has attracted many scientist from Indonesia, Malaysia, Thailand, Bangladesh, Egypt, Japan as well as other countries.

This international conference is attended by more than 150 participants covering wide variety subject grouped as theoretical chemistry and educational, material synthesis and modification, bioscience and analysis, and also Industrial and environmental chemistry. The given oral and poster presentation would showing outputs for future need as indicated in the conference theme of “Material Chemistry Development for Future Medicine, Industry, Environmental and Biomaterial Application”

The success of the Conference would not have been attained without strong supports from contributing scientists and our partner institutes including Diponegoro University, Semarang State University, Sebelas Maret University, Satya Wacana Christian University and Indonesian Biomaterial Society. I would like to thank all of them for helping to make a very successful conference.

Chairman,

Amin Fatoni, Ph.D
