Effect of Hot Compression Molding Temperature Variation on Coconut Fiber HDPE Hybrid Composite and Sansevieria Trifasciata on Physical and Mechanical Properties

Rene Hario Galih, Fajar Paundra, M. Farhan Sidik, Abdul Muhyi, Eko Pujiyulianto, Farid Nanda Syanur, Annisa Indah Setyawati

Analisa Perbandingan Penggunaan Refrigerant R-134a & R-1270 (MC-32) Pada Sistem Air Conditioning (AC) Split 1 PK

Mohammad Hasan Sahlil, M Edi Pujianto, Muhammad Subri, Purnomo

Identification and Mapping of Potential Processing Industry Types With Location Quotient (LQ) In Boyolali District

Silfina Dwi Oktaviani, Katon Muhammad, Maria Krisnawati

Pengendalian Risiko Dalam Kegiatan Pengelasan Gas Metal Arc Welding (GMAW) Roof Construction pada PT. XYZ

Muhammad Syahreal Darmawan, Astrid Wahyu Adventri Wibowo

Implementasi Six Sigma Dalam Pengendalian Kualitas Produksi Tahu (Studi Kasus UD. Berkah Fajar)

Ari Andriyas Puji, Agus Mulyadi, Muhamad Tri Wicaksono, Panji Uhum, Dimaz Harits

The Effect of Welding Speed on the Physical and Mechanical Properties of Low Carbon Steel Welded Joints Using TIG Welding Using 2 External Magnetic Fields

Andi Prabowo, Fajar Paundra, M. Farhan Sidik, Abdul Muhyi, Eko Pujiyulianto, Farid Nanda Syanur, Ariyo Nurachman Satiya Permata

Perancangan Desain dan Prototype Wok Pan Dengan Metode Pengecoran Menggunakan Aluminium A356

Reza Pahlevi, Suyitno, Sri Hastuti

Analisis Risiko Keselamatan dan Kesehatan Kerja (K3) Menggunakan Metode HIRARC pada Area Cold Storage dan Anteroom di PT. Hijrah Pangan Logistik

Firda Deliyana, Rani Aulia Imran, Robby Ogil Abetho

Journal of Industrial and Mechanical Engineering (JIMIEN) covers theoretical and application-oriented research in a wide range of Industrial and Mechanical Engineering. JIMIEN is an open-access peer-reviewed National journal published by the Department of Industrial Engineering Universitas Jenderal Soedirman. The journal publishes mainly original research papers but also reviews and professional articles. Papers for publication are selected through peer reviewing to ensure originality, relevance, and readability. All paper can be submitted in Bahasa or English. This journal is published two times a year. The open-access policy of the journal provides authors with several advantages, including increased visibility of the articles to a global reader.
